

PICTURE DAY

Sunday, April 23, 2017

at The Next Step Dance Studio's Village Location

Photographs make a great keepsake and we ask that all dancers attend Picture Day so that class pictures will be complete however, it is not mandatory to purchase photographs. If you would like professional photographs of your dancer, Memory Makers does a fabulous job. All dancers must arrive in their complete costume, including hair and make-up. See the schedule below for your dancer's class picture time. Individual portraits will be taken before your class portrait. **All photographs will be taken at our Village Shopping Center location, 109 A Town & Country Dr. (On picture day, our Saturday Ballet classes will meet at the Grange Hall location, 743 Diablo Rd., instead of the Village Shopping Center.)** Staff members will be on hand to help direct you upon your arrival. Please read the schedules carefully to avoid confusion. **We ask that you arrive a few minutes early, as the photographer cannot delay for any missing dancers.**

Please note the photographer runs on time. There is a changing area available for those dancers with more than one class/picture time. For your convenience, picture envelopes will be handed out in class the week before pictures and on picture day. Please fill out your picture envelope in advance and send it with your dancer on picture day. See the attached sample flyer from the photographer for package prices.

Picture Time
