AWARD WINNING TEAMS!**

All of our dance teams take educational classes. We travel to dance conventions, perform at Disneyland, on cruise ships, and do benefit performances to help raise money for charities in our surrounding communities. All of our dancers are instilled with determination, confidence and poise learning how to balance academics with their passion for dance. Our program prepares young dancers for success in life.

**Our teams took  
1st Place awards and  
many scholarships at  
several dance  
conventions this year!**
